The new album *Sci-Fi Disco Carnival* drops May 17th, 2025. *SFDC* is a cosmic celebration of love, imagination, and self-discovery that blends intergalactic synths, funky basslines, movin-to-the-groovin guitar riffs, hip-shaking drum beats, and anthemic choruses.

The album follows the single "Ferris Wheel", which released April 19 and invites fans to embark on a whimsical ride through carefree memories and bittersweet nostalgia.

About IC

On Gaflorgador — the mystical planet of eternal groove — Invisible Cartoons's smile-rock anthems have inspired peace and laughter across the galaxy. But their story isn't just about aliens and adventure; it's about the universal truth that music can heal, connect, and transport us to worlds beyond our own.
